

Senior Experten Service (SES)

Stiftung der Deutschen Wirtschaft für internationale Zusammenarbeit GmbH • Gemeinnützige Gesellschaft

### TO WHOM IT MAY CONCERN

**Senior Experten Service** is a non-profit organization mobilizing retired professionals for voluntary activities in the frame of international cooperation.

The Senior Experts provide their lifetime experience in order to contribute to the economic development of the host nations without pursuing own commercial interests. They are retired on full pay and thus in a position to work on an honorary basis. There is no employment contract between the Senior Experts and SES nor between the organizations they are being assigned to nor do they draw any salary from SES or assignment partners.

We herewith confirm that our Senior Expert **Mrs. Ulrike Waldorf** will realize a voluntary assignment on behalf of the Senior Expert Service at the DIANI Education Centre in Diani Beach, Kenya, from 6<sup>th</sup> of September 2016 until 8<sup>th</sup> of October 2016.

Mrs. Waldorf will support the centre in improving their medical herbs production and therefore carries along some necessary items (Ayurveda essences etc.).

We kindly ask you for preferential treatment of our Senior Expert and assist her wherever necessary.

Thank you for your cooperation.
